Dear Mr. Manley,

Your letter was received, and duly noticed. The dates for the 5th and 19th of April will be taken by the Eagles as suggested. They are willing to play you on those dates.

I don't think it advisable to play old man Greer on the 11th, and 12th; as we are playing you on the 15th, and 16th. I really think it best to let those dates pass. We are satisfied that you would make more money by playing the Eagles on the 15th, and 16th, and not play ~~ent~~ on the 11th, and 12th. The games are too close together and it would only hurt the crowd to play these dates.

Frankly speaking old man Greer isn't any good. He is trying to create quite a bit of trouble about the park for the Eagles, but to no success. The Eagles draw better here than any other local team; so if you stay in line with us, I know you will come out okay; as we have the pull in Jacksonville.

Expecting the mats, etc. as soon as possible.

Yours In Sport,

W.A. Anderson
